Installation Made Easy

All Barkman kits come with everything you need to complete your project including, precut pieces packaged on pallets, instruction guide, installation video, landscape design plan, as well as, gloves, adhesive, joint sand and edging if required. Our Harvest Grove Outdoor Kitchen Kits also include all stainless components. See all our kit installation videos now on our YouTube page.

Completely Modular Kits

With a wide range of combinations that will fit every backyard size, Barkman's Harvest Grove Outdoor Kitchen kits can be combined with Stone Oasis kits for greater flexibility. They can also work around existing outdoor features, such as an existing stand-alone grill.

The Environment

At Barkman we are committed to being good stewards of the planet. Not only are our products excellent choices for people concerned about the environment, we employ *environmental best practices* throughout our manufacturing and operations whenever possible.

Quality and Support Pledge

All Barkman products are guaranteed to meet or exceed the Canadian Standards Association (CSA) standards. We use only superior grade materials and employ stringent quality control measures throughout the manufacturing process to ensure a quality product every time. We also support our products with one of the industry's largest network of dealers and contractors. When you need us, we'll be there to help.

Lifetime Warranty

All Barkman residential products (excluding Sunstone appliances which are backed by their manufacturer's warranty) are warranted against manufacturing defects for as long as you own your home. Should your Barkman product experience damage due to a manufacturing defect, Barkman will cheerfully replace the damaged product free of charge (proof of purchase is required). Colour matching cannot be guaranteed and installation labour is not included. This warranty does not include splitting, chipping, cracking or other damage that may be caused by impact, abrasion, overloading or improper installation.
